CAREER OBJECTIVE

As a passionate IT fresher, I am eager to begin my professional journey where I can apply the skills I have learned in programming, web development, and problem-solving. I am excited to contribute my energy and fresh ideas to real-world projects while continuously learning from experienced professionals. My goal is to grow into a skilled IT professional who adds value to the team and the organization.

EDUCATION

B.Tech (Computer and Communication Engineering)	2023-2027
sri manakula vinayagar engineering college
